MAZDA EXTENDED PROTECTION PLAN FOR CERTIFIED PRE-OWNED VEHICLES. . .
Credit on MEPP for CPO Vehicles

Vehicle Eligibility

Vehicle must be registered with Mazda as a Mazda Certified Pre-owned Vehicle and have the CPO Powertrain Warranty. Vehicle sale must be reported as a CPO vehicle sale on the Mazda EMDCS system. All Maximum Mileage eligibility requirements apply to MEPP for CPO vehicles (Please note: CPO vehicles must have at least one month AND 1,000 miles of comprehensive CPO warranty remaining.)

2003 Vehicles
• Vehicles are covered by 4 year/50,000 mile manufacturer's warranty
• Followed by a 12 month/12,000 mile comprehensive CPO warranty
• Followed by a 3 year/38,000 mile Powertrain warranty
Total CPO Warranty Coverage equals 8 years/100,000 miles of coverage.

2000 - 2002 Vehicles
• Vehicles are covered by 3 year/50,000 mile basic warranty
• Followed by a 12 month/12,000 mile comprehensive CPO warranty
• Followed by a 3 year/38,000 mile Powertrain warranty
Total CPO Warranty Coverage equals 7 years/100,000 miles of coverage.

Available Plans

The attached credits will apply when customer purchases any one of three Maximum Mileage MEPP plans for their CPO vehicle:
• TotalCare® Plan
• StatedCare Plan
• PrimaryCare Plan

Available Terms

All terms identified on the attached Mazda Certified Credit Sheets.

Deductible Options

Credit is available on the following deductible options:
• Disappearing
• $0
• $50
• $100
• $200

Dealer Credit

Your dealership will receive the credit on MEPP for CPO vehicles as indicated on the attached CPO Rate Credit Sheets. You can receive the CPO credit in two ways:
a) Deducting the credit from the dealer net cost ,
 or
b) Remitting the full dealer net amount and the credit will be issued on your monthly MEPP statement.
Please note: Your dealership may sell any MEPP plan for which the CPO vehicle is eligible, but you will only receive the CPO credit on the plans, terms and deductibles listed on the attached rate credit sheet.
